Return Reference	Explanation
Part V, Line 4:	The intended use of the endowment funds are based on the donors instructions. Earnings are used to support a general session or lecture at the annual National Conference.
Part X, Line 2:	The Association is generally exempt from federal income taxes under provisions of Section 501(c)(3) of the Internal Revenue Code (IRC). In addition, the Association qualifies for charitable contribution deductions and has been classified as an organization that is not a private foundation. Under current Internal Revenue Service (IRS) regulations, rental income and advertising earned in the publication of the Association's magazines are subject to unrelated business income tax. Deferred taxes arise due to the timing difference in recognition of rental revenue. The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under this guidance, the Association may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. The guidance on accounting for uncertainty in income taxes also addresses de-recognition, classification, interest and penalties on income taxes, and accounting in interim periods. Management evaluated the Association's tax position and is not aware of any uncertain tax positions; therefore, no tax liabilities have been recorded as of June 30, 2017, or any related interest and penalties included in the balance sheet or statement of activities. Generally, the Association is no longer subject to income tax examinations by the U.S. federal, state or local tax authorities for years before 2014.
